## SAINT DAVID'S EPISCOPAL CHURCH

Elkhart, Indiana

### From Father Joshua

Dear Family in Christ, peace be with you,

This week we are testing out a new email and social media system for sending out Weekly Announcements and other special information. This system will allow us to pre-schedule email blasts and parish announcements as well as prepare campaigns and disseminate emergency information.

Below you will find the weekly announcements, upcoming events, and links to outside sites to further enhance our life together and our ministry abroad.

All this is part of our ongoing mission to strengthen our connectedness as a faith community and to live out the great commission, proclaiming the Good News to all peoples. As we continue to think about where and how God is calling us to sow our seeds, may we be ever mindful of the field in which we have been lead.

I am continuously grateful for the opportunity I have been given by God to walk in this field with you. Peace and grace in the week to come.

*In Christ,  
Fr Joshua+*

### MARY FEESER SCHOOL

Beginning in 2015, Saint David's undertook a project to supply backpacks and school supplies to students in need at Mary Feeser School, the elementary school across the street from our church. This year we are expanding our ministry to include both Kindergarten and First Grade. We will be blessing the backpacks during Mass on a Sunday in August and we hope to invite students to come by and pick out their backpack for the year. Supply lists may be picked up at the church. For more information please contact Deacon Clay at [deacon@stdavidelkhart.org](mailto:deacon@stdavidelkhart.org).
